

November 30, 1999

FDA Commissioner Jane Henney
5600 Fishers Lane
Rockville MD 20857

Dear Comm. Henney:

2753 '00 JAN -6 PM2:00

Please do what you can to prevent livestock producers from routinely adding medically important antibiotics to animal feed to promote growth.

FDA Commissioner Jane Henney
5600 Fishers Lane
Rockville MD 20857

We are all feeling the consequences of indiscriminately feeding cattle antibiotics in the resistance of bacteria to most of these drugs, putting our health in peril.

Sincerely,

Virginia McGowan
